February 8, 1839. PROPOSALS

For publishing at Mi. a News Paper to be called the

NORTH MISSISSIPPIAN.

The "North Mississipitan" is designed to be strictly a News Paper, and will be de-voted to every subject which may be deemed of use or interest to its readers. The prices of produce at New Orleans, Commerce, &c., the condition of the money market in every section of the country; politics, velopment of the resources of its own im-His table shall be at all times furnished mediate section of country, will receive regular attention in its columns.

It is not intended that the "North Missi sippian shall be a partizan paper, but, under a government like ours, where the humblest individual is called to the performance of sacred and important duties, none should have luke-warm or neutral belings in regard to the public policy of the country, nor have we; and our views upon political, as well as other subjects, will be freely expressed whenever we may deem it necessary—and it will be done in the spirit which best accords with our feelings of temperance and courtesy. We might here give our views in detail, but we deem it unnecessary, and will only state HAS located in Holly Springs, where he will spend the present year. Persons from the tion of the General Government upon some country will be waited on at all times. Tollice of its most important measures, and have opposed in the last election, the elevation of of Mr. Van Buren to the seat he now occupies; and, in the humble part we may here after feel ourselves called upon to take in practice, we shall appose his re-election.

nation, by all proper and by respectful appeals, and of fair and honorable re-imaginations are capable, of that party with which Having devoted about four years of our life to the duties of an editor, we flatter ourfor the task that will devolve upon us. We half use every exertion to render our paper
